O R D E R:

The Government of India (GoI) in the reference 2nd read above have directed that no State Govt. shall impose any levy on rice on the millers w.e.f., 1st October, 2015 and shall take action to amend the levy order to ensure that no levy is imposed from 1st October, 2015 onwards. The Govt. of India have provided advance concurrence for such amendment to the Andhra Pradesh Rice Procurement (Levy) Order, 1984.

2. The Andhra Pradesh Rice Procurement (Levy) Order, 1984 is amended in the reference 3rd read above by deleting clause 3, levy on millers and clause 4 levy on dealers.

Procurement Policy for the Kharif Marketing Season (KMS) 2015-16:

3. In view of the above, procurement policy of paddy / Rice for KMS 2015-16 is hereby formulated as follows:

4. Government of India in the reference 4th read above have fixed the Minimum Support Price (MSP) of paddy of Fair Average Quality (FAQ) of Common variety at Rs.1,410/- per Qtl. and Grade “A” variety at Rs.1,450/- per Qtl.

5. Government of India in the reference 5th read above have forwarded uniform specifications of all varieties of paddy for KMS 2015-16 (Annex-I) for wide publicity among the farmers in order to ensure that the farmers get due price for their produce and rejection of the stocks is avoided and uniform specifications for Grade ‘A’ & Common Rice for KMS 2015-16 (Annex-II) for distribution of rice under Targetted Public Distribution System (TPDS) and Other Welfare Schemes (OWS). The Procurement of Paddy & Rice during KMS 2015-16 shall be ensured by the State Govt. and Food Corporation of India strictly in accordance with the uniform specifications. The rate of cut for accepting non FAQ paddy by Rice Millers (Annex-III)
6. In terms of the Memorandum of Understanding for decentralized Procurement of paddy / Rice in KMS 2015-16 onwards in between Government of India and Government of Andhra Pradesh in the ref. 6th read above, the Government of Andhra Pradesh shall undertake procurement of Paddy /Custom Milled Rice (CMR) on behalf of the Government of India directly and / or through its Agencies, for contribution to the Central Pool during the Kharif Marketing Season 2015-16 onwards. Paddy shall be procured by the Govt. of Andhra Pradesh or its Agencies at Minimum Support Price (MSP). If the overall procurement of the State is in excess of the total allocation of the State made by the Government of India, under TPDS/OWS, such excess quantity shall be treated to be outside the Central Pool. The State Government shall hold with itself the stocks of CMR thus procured under proper scientific storage for distribution under TPDS and other Welfare Schemes as per allocation made by the Central Government at prices notified. Government of the State shall not utilize stocks procured for Central Pool under the decentralized procurement scheme of Government of India for any other State level schemes. State Government shall restrict availing credit facility from RBI for the estimated stocks of paddy to be procured for the Central Pool only. The State Government shall verify the quantities distributed under TPDS and other Welfare Schemes against allocations made by the Government of India. The State Government shall furnish on daily basis, the Revenue district-wise details regarding procurement of paddy/rice during previous day to the concerned District & Regional office of the Food Corporation of India (FCI) for making entries in Online Procurement Monitoring System (OPMS). State Government / Agencies will provide details of paddy stored in miller’s premises (miller-wise), if any on weekly basis which will be verified on test check basis by FCI and GOI as per need. The FCI will make joint teams with the State Government to oversee the conduct of procurement operations and to attend to specific complaints, problems, etc. The state Government shall also ensure feeding of data in DISFM. The State Government shall ensure that the total offtake/distribution of rice is within the total allocations made by the Central Government and within norms. If the Stocks of the Rice procured by the State Government exceeds its allocation under TPDS and other Welfare Schemes, such excess stocks shall be handed over to the FCI by the State Government. However, the FCI shall have the option to specify whether such excess rice that would be handed over to FCI for Central Pool by the State shall be in the form of raw rice or parboiled rice to meet the overall consumption requirement of the country under TPDS, OWS and type of rice milled in the State. In the event of the total quantity of CMR falling short of the total allocation made by the Central Government for meeting the requirement of TPDS and other welfare schemes, the Central Government through FCI will meet deficit as per the existing arrangements.

7. The estimated annual requirement of raw rice with three months buffer stock is 36 lakh MTs for Targetted Public Distribution System / Other Welfare Schemes in the State and 54 lakh MTs of Paddy has to be procured from farmers under decentralized procurement of paddy / rice in KMS 2015-16, custom mill the paddy and retain the raw rice for PDS and other welfare schemes and deliver the boiled rice to Food Corporation of India for the central pool.

8. The A.P. State Civil Supplies Corporation Ltd.(APSCSCL), the State Government’s Agency, shall procure paddy on a large scale to protect the MSP by opening as many paddy procurement purchase centres as required through Women Self Help Groups(WSHG), Primary Agricultural Cooperative Societies (PACS), District Cooperative Marketing Societies (DCMS) etc. The A.P. State Civil Supplies Corporation Ltd. shall ensure that adequate gunnies, other
infrastructure and equipment are made available at the paddy purchase centres.

9. The A.P. State Civil Supplies Corporation Ltd. shall invariably make on-line payments for the value of paddy purchased from the farmers through RTGS / NEFT. If, for any reason, this is not possible in some districts, the payment may be made through account payee cheques only. The entire transactions of paddy purchases, payment made, transportation done to the mills, paddy delivered to the mills etc. shall be on real time basis. The daily information shall be monitored and informed to the Commissioner of Civil Supplies.

10. The millers may purchase paddy of FAQ at a price not less than the Minimum Support Price. They shall invariably make payment to the farmers through A/c payee cheques / RTGS / NEFT transfer. The enforcement officials shall ensure that millers make payment to the farmers at not less than the MSP through A/C payee cheques or RTGS transfer by conducting verifications. There is no levy on rice on the paddy purchased by millers in terms of Govt. of India instructions. The millers shall maintain the details of transactions of paddy purchased, rice produced, sold etc., as per ‘A’ and ‘B’ registers prescribed as per clause 16 of the A.P. Rice Procurement (Levy) Order, 1984 and furnish fortnightly returns to the Collector concerned.

11. Non-preferred varieties of rice shall be sold anywhere in the country without any permit/ release certificate by the millers. The Government whenever it finds necessary, basing on the availability and price situation of the non-preferred varieties of rice, shall impose conditions and order for sale of non-preferred varieties of rice in 1:1 ratio between within and outside the State under clause 7 of A.P. Rice Procurement (Levy) Order, 1984.

12. In order to have accountability and ensure prices of Superfine preferred varieties of rice are available at affordable prices in the open market in the State, the miller shall sell the superfine preferred varieties of rice in 2:1 ratio between within and outside the State, under clause 7 of A.P. Rice Procurement (Levy) Order, 1984. For sale of preferred varieties of rice within the state, no release certificate is required by the miller. For sale of rice outside the State, the miller shall take release certificate consequent on sale of 2 unit of rice within the state for sale of 1 unit of rice out side the state.

13. The Rice Millers shall undertake custom milling of paddy, as and when the farmers bring the paddy to the rice mills as per proviso under clause 10(1) of the A.P. Rice Procurement (Levy) Order, 1984.

14. The A.P. State Civil Supplies Corporation Ltd. shall make necessary arrangements as follows:

   - For opening of paddy purchase centres as many as required.
   - Identification of PPC and tagging of rice mills to the Paddy Purchasing Centres (PPCs) for custom milling.
   - Transport arrangements for immediate shifting of paddy to the rice mills or to the intermediary godowns, if necessary.
   - Identification and hiring of SWC / CWC/ FCI / Marketing godowns for storage of CMR.
   - Private Godowns, if necessary, be hired for storage of CMR.
Appoint Technical, Accounts and other maintenance staff on outsourcing basis / retired persons from FCI / APSCSCL at the godowns for receiving CMR as per FAQ specifications and for proper storage if necessary

Advance plan and agreements with Railways for transport of rice from surplus districts to the deficit districts.

If there is delay in the transportation of paddy to the rice mills and it becomes inevitable, the APSCSCL shall transport the paddy to the intermediary storage points for storing in the Covered Area Plinth (CAP) storage model with a view to protect the stocks from vagaries of nature, and avoid deterioration of quality.

15. The A.P. State Civil Supplies Corporation Ltd. shall also monitor on a day to day basis, the paddy handed over to the mills for custom milling, raw rice delivered to them and boiled rice to the FCI, the quantity of rice yet to be delivered etc. and submit the details to the Commissioner of Civil Supplies.

16. The A.P. State Civil Supplies Corporation Ltd. shall take action to ensure that raw rice as delivered under CMR is accepted by having adequate godown space at MLS points and other buffer godowns. He shall be in constant contact with the SWC, CWC, Marketing Dept. etc. and take action to get the godown space placed at their possession; in case suitable scientific private godowns are available, they may also be taken on lease/rent. He shall also explore the possibility of godown construction through Govt. Warehousing agencies and other private entrepreneurs under PEG schemes etc. for taking on 7 years/5 years/2 years guarantee. Under no circumstances, non-receipt of CMR raw rice by the AP State Civil Supplies Corporation Ltd. for want of godown space is avoided.

17. The CMR raw rice retained by the AP State Civil Supplies Corporation Ltd. shall be utilized for the PDS and other welfare schemes in the State. If the rice stocks procured is in excess of the requirement for PDS / OWS, such excess stocks shall be handed over to the FCI. The deficit for the requirements would be made available by the FCI as per the terms and conditions of the De-Centralised Procurement.

18. The Rice Millers shall simultaneously undertake the custom milling of paddy procured by the State Government Agencies and Food Corporation of India, on such terms and conditions stipulated from time to time by the State Government / APSCSCL and any delay in converting the paddy to rice shall force the agencies to incur heavy loss or to pay the interest to the Banks on the value of paddy purchased as per clause 9 of the A.P. Rice Procurement (Levy) Order, 1984. The Collectors may allot the paddy purchased at the Purchase centres of women Self Help Groups/ Velugu / DCMS / PACSs / PPCs / Market Yards etc., to rice mills for immediate custom milling without storage of the paddy. The rice millers, within 15 days from the date of receipt of paddy, have to complete custom milling of paddy and deliver the resultant rice, either as raw rice or boiled rice, as prescribed by the Government or the State Agency concerned, for the paddy handed over by the A.P. State Civil Supplies Corporation Ltd. The Collectors shall direct the rice millers to mill the paddy handed over to them by the State agency and deliver custom milled rice to the A.P. State Civil Supplies Corporation Ltd. / Food Corporation of India. The Collectors
shall review the entire process of custom milling operations regularly and take necessary action against the rice millers, who fail to do custom milling of paddy procured by the A.P. State Civil Supplies Corporation Ltd., duly following the procedure in vogue.

19. It shall be the responsibility of the Collector (CS) to ensure that the CMR rice is delivered by the rice millers as expeditiously as possible. The APSCSCCL shall monitor the delivery of CMR rice on daily basis and ensure that the delivery of CMR rice is made promptly. If there are any issues, they shall be brought to the notice of the Commissioner of Civil Supplies or the Collector concerned for immediate assistance / redressal.

20. In case of any delay in custom milling of paddy due to non-availability of adequate rice milling capacity in the district, non-availability of godown space, due to non-provision of railway rakes and also with a view to facilitate early delivery of CMR rice, the paddy may be transported from the paddy procured district to the rice mills directly in other districts by the Collectors concerned in consultation with the Collectors of the districts to which paddy is proposed to be moved. The expenditure incurred by the A.P. State Civil Supplies Corporation shall be booked to the MSP operations of paddy and the same shall be included in the audited accounts of KMS 2015-16, so that the Government of India will be requested for reimbursement of the same.

21. The Commissioner of Marketing shall issue necessary instructions to all the Secretaries of Agriculture Marketing Committees (AMCs) to prepare a contingency plan well in advance to tackle the additional arrivals, for smooth market operations during the season to get the equipment / machinery available with the AMCs in working condition, to maintain log books for each equipment, to make a note of the usage particulars and to take into account the equipments / machinery available with the nearby markets (Non-functional) and with self help group centres while planning for procurement of additional equipment to meet the seasonal requirement. The Godown space available in the AMCs should also be kept ready for occupation and wide publicity should be given about MSP rates, equipments and godown space available with AMCs.

22. The Marketing Department will provide required number of moisture meters (Best quality), Tarpaulins, Paddy cleaners, Winnowing machines, etc., equipment to be determined with reference to the past performance and to make them available at all the Paddy Purchase Centres operated by S.H.Gs / DCMS / PACSs / PPCs / Market Yards without fail. One moisture meter should also be provided to the progressive group of farmers / S.H.Gs / Gram Panchayats to enable the farmers to check the moisture contents of the paddy before they bring the paddy to the purchase centres for sale.

23. The Collectors shall fix uniform Hamali charges in the entire district by conducting meeting with the Hamali Unions, Secretaries of AMCs and Procuring Agencies. The Handling Charges should include weighment, stitching and stacking / loading at PPCs / AMCs. The Hamali Charges, thus, fixed will have to be borne by the buyers of the stocks at PPCs / AMCs including the State Procuring Agencies.

24. The Collectors shall review the progress of procurement on daily basis. The Collectors shall send daily reports on the progress of procurement to the Commissioner of Civil Supplies as stated above. The Collectors will also bring to the notice of the Commissioner of Civil Supplies, problems, if any, faced by them in procurement of rice including requirement of funds for items of expenditure other than cost of paddy procured by A.P. State Civil Supplies Corporation Ltd and / or
any other agency so as to take immediate appropriate action in the matter. The Collectors shall constitute a District Procurement Committee with the Joint Collector as Chairman with District Level officials of all connected departments, namely, Agriculture, Marketing, Civil Supplies, Transport, DRDA, ITDA, I&PR, Warehousing Agencies (CWC, SWC), Procurement Agencies (FCI, APSCSCL) and also Sub-Collectors / RDOs as members to coordinate and decide on all the activities and monitor the work on day-to-day basis as per the operational guidelines.

25. The Collectors shall ensure that the enforcement officials under the A.P. Rice Procurement (Levy) Order, 1984 inspect the rice mills periodically to ensure that the paddy handed over for custom milling is stored under proper conditions, milling of paddy, delivery of CMR, balance stock available etc., and to take immediate action if any discrepancy is noticed.

27. Wide publicity of the location of the paddy purchase centres, specifications of FAQ paddy, MSP and prescribed value cuts for the non-FAQ paddy shall be given through press, pamphlets, leaflets, and electronic media besides organizing extensive training programmes for the farmers through the Agriculture Extension Staff / Quality Control Officials out of the funds earmarked by Marketing Department in this regard and other funds available at their disposal.

28. The Government or the Commissioner of Civil Supplies may issue any guidelines or orders from time to time to ensure uninterrupted procurement of paddy and CMR.

29. A copy of this order is available on the internet and can be accessed at the address- www.ap.gov.in

NOTES APPLICABLE TO THE SPECIFICATION OF GRADE 'A' AND COMMON VARIETIES OF RICE

1. The definition of the above refractions and method of analysis are to be followed as given in Bureau of Indian Standard "Method of analysis for Foodgrains" No’s IS : 4333 (Part-I) 1996 and IS : 4333 (Part - II) 2002" Terminology for Foodgrains" IS : 2813 - 1995 as amended from time to time. Dehusked grains are rice kernels whole or broken which have more than ¼ of the surface area of the kernel covered with the bran and determined as follows:-

ANALYSIS PROCEDURE:
Take 5 grams of rice (sound head rice and brokens) in a petri dish (80X70 mm). Dip the grains in about 20 ml. of Methylene Blue solution (0.05%by weight in distilled water) and allow stand to for about one minute. Decant the Methylene Blue solution. Give a swirl wash with about 20 ml of dilute hydrochloric acid (5% solution by volume in distilled water). Give a swirl wash with water and pour about 20 ml. of Metanil Yellow solution (0.05% by weight in distilled water) on the blue stained grains and allow to stand for about one minute. Decant the effluent and wash with fresh water twice. Keep the stained grains under fresh water and count the dehusked grains. Count the total number of grains in 5 grams of sample under analysis. Three brokens are counted as one whole grain.

CALCULATIONS:
Percentage of Dehusked grains = \( \frac{N \times 100}{W} \)

Where N = Number of dehusked grains in 5 grams of sample
W = Total grains in 5 grams of sample.

2. The Method of sampling is to be followed as given in Bureau of Indian Standard "Method of sampling of Cereals and Pulses" No IS : 14818- 2000 as amended from time to time.

3. Brokens less than 1/8th of the size of full kernels will be treated as organic foreign matter. For determination of the size of the brokens average length of the principal class of rice should be taken into account.

4. Inorganic foreign matter shall not exceed 0.25% in any lot, if it is more, the stocks should be cleaned and brought within the limit. Kernels or pieces of kernels having mud sticking on surface of rice, shall be treated as Inorganic foreign matter.

5. In case of rice prepared by pressure parboiling technique, it will be ensured that correct process of parboiling is adopted i.e. pressure applied, the time for which pressure is applied, proper gelatinisation, aeration and drying before milling are adequate so that the colour and cooking time of parboiled rice are good and free from encrustation of the grains.

GOVERNMENT OF ANDHRA PRADESH

CONSUMER AFFAIRS, FOOD AND CIVIL SUPPLIES DEPARTMENT

DECENTRALISED PROCUREMENT

OF PADDY AND RICE

IN

ANDHRA PRADESH

DURING KHARIF MARKETING SEASON (KMS) 2015-16

OPERATIONAL GUIDELINES
OPERATIONAL GUIDELINES

Procurement of Paddy at MSP:

Measures required to be taken by the AP State Civil Supplies Corporation Ltd. in coordination with the Joint Collectors:

- Wide publicity of the MSP for paddy for Common and Grade A along with the specifications prescribed for getting MSP through print and electronic media, tom tom (beat of drum) and through pamphlets/leaflets, posters etc.;
- Paddy shall be purchased from the farmers directly by eliminating the middlemen.
- The registration of farmers has been started from KMS 2014-15 at respective PPCs and new farmers if any leftover during the last season may register this year KMS 2015-16 and the process may be undertaken.
- The documents like Pattadar Pass Book, letter from the Village Revenue Officer about tenancy and area covered under the paddy are to be produced by him in his land while registration.
- The land details and its ownership/tenancy shall be verified with reference to the web land portal of the Revenue department.
- The Commissioner of Land Revenue (CLR) shall be addressed to provide access to the data bank of land details contained in the web land portal and e-panta for crop details.
- Paddy at MSP shall not be accepted at Paddy Purchase centres from the millers and dealers;
- Identification of sub-agencies for procurement of paddy like Velugu (Women Self Help Groups), PACs, DCMSs, Rythu Mithras etc. in consultation with the Joint Collectors.
- Identification of areas for opening the exclusive Paddy Purchase centres in addition to the AMCs;
- Computerisation of all procurement points to be ensured before commencement of procurement.
- Assess and position the required number of gunnies and suthli at each of the purchase centre;
• Availability of equipment like Paddy Cleaners, drying machines, Winnowing machines, sieves, moisture meters, calipers etc. which are required for MSP operation.
• Assistance/Support from the Marketing Department to be taken for getting equipment at AMCs / purchase centres.
• Marketing Department shall assess the requirement of equipment required at all the PPCs, present availability and make available the balance to the PPCs etc.
• At each Paddy Purchase centre of Velugu (Women Self Help Groups) one Tech. Assistant from their side shall be positioned by the SERP.
• Position the staff required for taking samples for analysis of the quality and its acceptance and helpers and others;
• Assess the quantity of paddy likely to arrive at each of the purchase centre depending upon the neighbouring villages;
• Prepare the schedule to regulate arrival of paddy from villages/areas nearer to the purchase centre so that there is no stampede/congestion at the purchase centre;
• Storage arrangements at the purchase centre like tarpaulin etc to cover them till paddy is moved to mills;
• Transport Contractors to make available adequate transport fleet;
• Permission to millers who want to transport the paddy from PPC on their own for custom milling;
• Rice Mills to be identified for doing custom milling of paddy and delivering raw rice to the APSCSCL and boiled rice directly to the FCI on behalf of the APSCSCL;
• Purchase centres to be tagged on to the rice mills;
• Wherever inevitable and unavoidable, interim storage for paddy to be identified and CAP storage technology to be adopted;
• Payment to the farmers to be done within 48 hours online directly through RTGS to the farmers account through integrated banking system.
